HAIL ALMA MATER

by Fred Barkley '57

Hail, Alma Mater --  
Saltsburg High,  
We think of days  
And years gone by.  
And praise we offer  
Thee e'ermore --  
As we depart from  
Life's vast shore!  
Oh, hear us when  
We sing to thee,  
Of our great love  
And loyalty!

Hail, Alma Mater --  
Red and White  
The symbol of thy  
Guiding light.  
With Trojan brave  
To guard thy name --  
And give thee honor  
Might and fame.  
Go with us as we leave thy door,  
And there remain, forevermore.

Hail, Alma Mater --  
Saltsburg High  
Thy mem'ry sweet  
E'ermore shall lie  
Within our hearts  
Within our soul,  
As we march onward  
Toward life's goal.  
May God's rich blessings  
E'er be thine,  
And always thy loved  
Name refine!

## future nurses of america

This newly organized club which meets twice a month is under the supervision of our school nurse, Miss Wetzel.

The purpose of the club is to interest students in personal and community health and help them decide wisely about professional and practical nursing as

their career.

Throughout the school year the members saw several good movies about nursing, went on a tour of a hospital, had speakers present at their meetings, and watched demonstrations by Miss Wetzel. Each member received a pin with the F.N.A. insignia.

## teachers' SECRETARIES

Students taking Typing II receive office practice by doing secretarial work for teachers. These secretaries were chosen last year and assigned to individual teachers at the beginning of this year. Duties consist of typing tests and letters and generally assisting the teachers. One of the busiest times for the secretaries is at the end of the six weeks when

all six weeks tests have to meet their deadline. The teacher's secretaries are not only a great help to the teachers but they also receive assorted knowledge and valuable experience in the different phases of secretarial work. They are greatly assisted by Mrs. Ruth A. Roth, their Commercial teacher.

## student council

Besides taking care of school problems, this year the Student Council inaugurated a new idea for collecting money for worthy organizations. Instead of having six individual fund drives, they sponsored a United Fund Drive and divided the money collected equally among the Red Cross,

T.B., Polio, Heart, Crippled Children, and Cancer funds.

The president, Ronald Mancabelli, was responsible for the introduction and the closing words of the various assemblies held throughout the year.

## student patrol

The Student Patrol performs many small but important tasks. One of these is setting up a road block around the school to prevent any cars from using those streets during the noon recess. They also see that the flag is raised in the morning and

lowered in the evening.

To Mr. Anderson, their advisor, and to the Student Patrol boys who "weather the gales" for our protection, we extend our sincere thanks.

*Left to Right—Kneeling: G. Zeigler, R. Grosklos, D. McGregor. Standing: Mr. Anderson, R. Deitrick, G. Healey, C. Parson, A. Corridoni, R. Deitrick.*

## future farmers of america

The F.F.A. motto is "Learning to do and doing to learn". Following this rule, the boys undertook several projects. They were quite successful in their selling of garden seeds and onions, through which they profited \$150.00.

During the Annual F.F.A. Week at Penn State, John

Zona judged poultry, Frank Rehak judged livestock, and Nick Mendaloff judged dairy products.

After earning 500 points each, Frank Rehak and Robert Vought received traditional blue and gold F.F.A. jackets.

Thirteen members were formally initiated.

## future homemakers of america

This year's homemaker and service club (F.H.A.) was sponsored by Mrs. Joanne Cox. Some of the many projects of the year were making blankets and food baskets for the needy, buying UNESCO stamps, and selling Christmas cards.

Memorable times include the Sadie Hawkins' Dance, the annual spaghetti dinner, lectures on good grooming,

and the candlelight service in which the new officers were installed.

The club leaders were President—J. McIntyre, Vice-President—A. Auen, Secretary—N. Faber, Treasurer—K. Lanham, Chaplin—B. Quick, Salt Shaker Reporter and Chairman of all Committees—G. Tagliati, and Historian—F. Tagliati.

Left to Right—Seated: J. Bundridge, S. Wallace, F. Belice, S. Lupyan, G. Tagliati. Standing: N. Faber, F. Tagliati, S. Reed, Mrs. Cox, A. Auen, J. McIntyre, K. Lanham, B. Quick, M. Calhoun, P. Verbitsky, D. Malone, A. Wallace, D. Orvosh.

## hi-y

The purpose of the Hi-Y is to create, maintain and extend throughout the home, school and the community, high standards of Christian living.

Clean speech, clean living and clean sports are the goals which are set before the boys, and under the

guidance and sponsorship of John Rowley we know that the goals will be maintained.

At their weekly meetings, the members discuss the problems of everyday life in relation to teenagers.

## tri-hi-y

Many new activities strengthened the Tri-Hi-Y this year. Diann Steele and Gloria Davis went to Harrisburg to attend the Tri-Hi-Y Model United Nations Assembly at which they dressed as native Guatemalans and presented problems of Guatemala for discussion. Expenses were

met by the club's selling Christmas candy and "School Daze" books.

The members also worked diligently at collecting, sorting, and packing clothes for the World Clothing Drive and the Pennsylvania Clothing Drive.

*Left to Right—D. Orvosh, Mr. MacBlane, J. Devore, J. Quick, E. Kulka.*

## EIGHTH GRADE PHOTOGRAPHY CLUB

The eighth graders, sponsored by Mr. MacBlane, have learned how to develop and enlarge pictures taken with their cameras. The three clubs meet once a week in the dark room and strive to better understand photography. After spending a period of

developing their pictures, they study them and point out the flaws and how they can improve the pictures by taking them properly. The Junior Photography Club learns the elementary facts about picture-taking and film development.

## EIGHTH GRADE GEOGRAPHY CLUB

The three 8th grade Geography Clubs raised \$300.00 for a field trip to Lewisville during the spring. They sold window cleaner, had two bake sales and sponsored several noon dances. Any member of the club with a B average, being a good citizen, and showing interest in geography was

eligible for the trip. Papers titled "Know Your Country Better Geographically" were written by Charla Catania, Russell Balest, George Kopchick, Linda Kulik and David Zerfoss.

Other activities included a field trip to Pittsburgh and a Geography Club party.

## varsity club

Membership in the Varsity Club consists of boys and girls who have earned one or more letters during their school years for participating in basketball, football or track, and for serving as cheerleaders and team managers.

At the end of the school year, the undergraduate members present the departing seniors with a sweater or jacket, as a token of all the sacrifices, hard work, and sportsmanship displayed throughout their high school sports career.

## teen age book club

Under the direction of Mrs. Haller a new club has been added to S.J.H.S. It is the Teenage Book Club! The purpose of this club is to promote students' interest in reading. Each month, members select TAB books from a purchase list sent to the club. These

books cost twenty-five or thirty-five cents. After completing the books, club members give short oral summaries on them. One of the projects planned for the year is buying books to be contributed to the school library.

## thespians

Interest in dramatics and the theatre is the main goal of the Senior Thespians. Weekly meetings feature play-reading, program planning and discussions of the fundamentals of the theatre.

This spring, members entertained the children at the Willard Home in Indiana.

The Thespians appreciate the tireless efforts of their advisor, Miss Margaret Jackson. The officers are President—Mary Edgar, Vice-President—John Kucik, Secretary—Leroy Beitel, and Treasurer—Herbert Bollinger.

## SENIOR SCIENCE and photography club

The Senior Science and Photography Club aims to further the interest of students in the field of science and photography. Under the supervision of Mr. Gould, movies and experiments dealing with all scientific ways of life are featured.

Activities in photography include photographing, developing and printing pictures. One of the

characteristics of the club is showing interest in all questions that are brought up in these particular fields.

The officers of the club are John Grimplin—President, Ronald Brink—Vice-President, and Joseph Tkach—Secretary-Treasurer.

## music

Music is defined by many great musicians as "beginning where speech ends". We like to think of music here at Saltzburg in this way too.

This year as in previous years, we had a Junior and Senior Mixed Chorus. These two groups combined efforts to produce the Christmas program entitled "Around the

Crib". During the following practices their talents were devoted to the annual Spring Concert.

Several members were representatives of Saltzburg High at the County Chorus. Two Seniors, Linda McDivitt and Margery Shirley, were sent to P.M.E.A. Western District Chorus which was held in Apollo this year.

## track

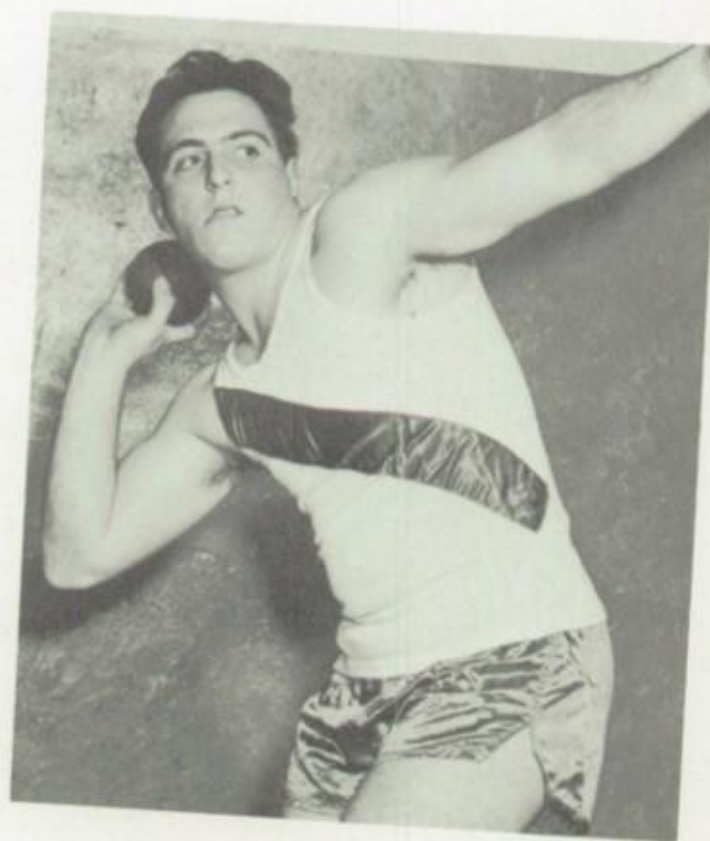

We are sorry we cannot give you a review of the '59 track team, because we are publishing the yearbook before the track season begins.

This is a brief summary of the 1958 track team which was under the able supervision of Mr. Flick. Saltsburg came in first in the Saltsburg-Kiski meet. In the Little Seven meet we placed third. F. Leonard placed first in the 100

and 220 yard dashes. Our mile relay team placed second, H. Brown came in first in the Discus Throw, and R. Belice placed third in the Shot Putt. In the Indiana County meet, we placed fourth. F. Leonard placed first in the 100 yard dash and second in the 220 yard dash. H. Brown came in third in the Discus Throw.

Francis Fletcher: 880 relay.

Mike Casciere: shot putt.

### *"What are your plans after graduation?"*

What are yours? Have you given any thought to a career in banking? Ask those already in the field about it, and almost invariably you will get this answer: "A bank is a good place to work. Banking, you see, is pleasant work, providing varied and interesting tasks among congenial associates. Banking is also important work, serving essential needs of people and vital needs of the nation. And banking is rewarding work, offering many opportunities for advancement—for women just as for men. Today, one out of every six bank employees is an officer, and one out of every ten bank officers is a woman.

We cordially invite young men and women not yet decided on a career to ask us for factual information on the field of banking; to weigh the advantages of a satisfying lifetime in a good place to work.

## HAIL ALMA MATER

by Fred Barkley '57

Hail, Alma Mater --  
Saltsburg High,  
We think of days  
And years gone by.  
And praise we offer  
Thee e'ermore --  
As we depart from  
Life's vast shore!  
Oh, hear us when  
We sing to thee,  
Of our great love  
And loyalty!

Hail, Alma Mater --  
Red and White  
The symbol of thy  
Guiding light.  
With Trojan brave  
To guard thy name --  
And give thee honor  
Might and fame.  
Go with us as we leave thy door,  
And there remain, forevermore.

Hail, Alma Mater --  
Saltsburg High  
Thy mem'ry sweet  
E'ermore shall lie  
Within our hearts  
Within our soul,  
As we march onward  
Toward life's goal.  
May God's rich blessings  
E'er be thine,  
And always thy loved  
Name refine!
